**ORDER:**

The Commissioner, CADA in his letter 1<sup>st</sup> and 2<sup>nd</sup> read above, has reported that the cadre strength of Assistant Executive Engineer in the office of the Commissioner, CAD, Jalasoudha Building, Hyderabad is 14 in the time scale of Rs.16150-42590 in A.P. Revised Pay scale 2010, and these posts are being continued year after year as per the recommendations of the Implementation Committee.

2. It is further reported that the Office of the Commissioner, CAD, is having an Election Wing to conduct elections for Water Users Association once in every two years and there are no separate skilled staff to coordinate the work of elections to the Water Users Associations, which are being conducted with the help of the available engineering personnel. Therefore, in order to conduct elections in a better manner and to improve election process, the Commissioner, CAD has proposed to redeploy three posts of Assistant Executive Engineers out of the existing cadre strength of 14 Assistant Executive Engineers, as Farmers Organization Electoral Officers, to be filled on deputation basis by Tahildar level officers from Revenue Department as both the posts carry similar scale of pay and are of same level as per the revised pay scales of 2010.

3. After careful consideration of the proposal, and as the pay scale of Assistant Executive Engineers of I&CAD Dept. and Tahsildars in Revenue Department is similar as per the Revised Pay Scales of 2010, the Government hereby redesignate 3 (three) posts of Assistant Executive Engineer from the existing cadre strength of 14 Assistant Executive Engineers in the office of the Commissioner, CAD, as Farmers Organization Electoral Officers with immediate effect.

4. The above redesignated posts of Farmers Organization Electoral Officers in the Office of the Commissioner, CAD shall be filled by redeploying the personnel from Revenue Department in the cadre of Tahsildars level officers, on deputation as per the terms and conditions issued from time to time. The Tahsildars already working in the Irrigation (LA&RR) Department may also be utilized for the purpose.

p.t.o.
